

## The Colored Regulars in the United States Army

[...]affinities within were really aided by the repulsions without, and when finally freed from slavery, for an ignorant and inexperienced people, they presented an astonishing spectacle of unity. Socially, politically and religiously, their power to work together showed itself little less than marvellous. The Afro-American, developing from this slave base, now directs great organizations of a religious character, and in comprehensive sweep invites to his co-operation the inhabitants of the isles of the sea and of far-off Africa. He is joining with the primitive, strong, hopeful and expanding races of Southern Africa, and is evidently preparing for a day that has not yet come.[...].
