

Bad Moon Rising

Christi Anthony's life has become a living hell, as she is relentlessly stalked by a vicious serial killer who has struck five times before. All of the victims were contestants in Kansas City's annual Rose Pageant—young, beautiful...and all eerily resembling Christi. When a highly skilled special investigator haunted by his wife's betrayal arrives to stop the killer, he and Christi are shocked to find themselves irresistibly attracted to each other. And in the shadows, a deadly stranger waits to bestow his ultimate gift of love, moving closer and closer all the time....
