

Dark Lake: An Allie Armington Mystery (Allie Armington Mysteries)

Allie Armingtons Back. Troubles Right Behind Her. This time shes in the Adirondacks, and its really personal. A long time ago Allie was summarily ordered away from her extended familys summer enclave. Her return is nothing like what she expected. Instead of the tranquil retreat she remembers, the place is a murder site. From the very beginning shes confronted with everything from cover-ups and corrupted cops to covert meth labs and cousins in distress. Allie really has her hands full. Visiting Hotanawa was always a dream to remember. This visit turns into a nightmare shed rather forget. Populated with neighbors you love to hate, childhood ex-crushes youd hate to love, and family and friends who promote more problems than solutions, Dark Lake brings us an up close look at summer life in the Adirondacks and Allie at her best.
