

Safer

For Paul Callaway and his wife, Sara, moving from the East Coast to a quiet midwestern town was a major adjustment. Right from the start, Paul has tried to fit in. Hes played golf with the guys. Hes even joined the Neighborhood Patrol, grabbing a flashlight and a walkie-talkie to make these neatly tended streets even safer. Then Paul makes one mistake - and now they want him gone. But nothing could have prepared Paul and Sara for the quarrel that has erupted between Paul and a neighbor - the self-appointed leader of the Neighborhood Patrol. Or for the next outrage, as police arrest Paul for a sordid crime he didnt commit. Suddenly Pauls life, university career, and marriage are at risk, as he finds himself locked in a desperate fight with an angry man, a dark conspiracy, and a secret that began with a childs disappearance 10 years before.
