

Cliffhanger (The Belinda & Bennett Mysteries, Book One)

Making her grand re-entry into Portside, Rhode Island, Belinda Kittridge expected fun, sun, and sugar cookies. Instead, she gets one jilted lover braced for round two, an old rival on the hunt, and the murder of a former classmate and friend. Even worse, Belinda must return to the events surrounding a tragic sailing accident to set things right. But new possibilities emerge in the form of security expert Bennett Tate. Between her connections and his know-how, they're bound to catch the killer - and kick the skeletons out of the closet for good.
