

Love Me Tender (Mac & Mel small-town small-time sagas Book 2)

The Mac & Mel series chronicles the everyday fortunes of an ordinary couple - Mackenzie and Melinda Dailey - as they become ensnared in the small-town intrigues of Matilija (read Ojai, California). From monkey business and moonshines to passion and pathos, a bit of mystery, a touch of romance. A true American cozy. In Love Me, Mac learns two of life's major lessons: women need too damn much attention, and sometimes you just gotta do what you just gotta do. Especially if an eleven-year-old's life depends on it.
