

Aeneas Silvius Piccolomini (Pius II): The Goodli History of the Ladye Lucrez (Early English Text Society Original Series)

This is a critical edition of the sixteenth-century translation into English of the Latin novella, the *Historia de Duobus Amantibus*, by Aeneas Silvius Piccolomini. The work, which was previously only accessible in an old and rare diplomatic reprint, demonstrates clearly the full impact of Italian Renaissance learning on English prose fiction.
