

The Infernal Express (The Adventures of the Royal Occultist Book 3)

In this third and most harrowing adventure, the Royal Occultist faces a terror with no equal... Charged with the safe-keeping of the remains of Dracula, Charles St. Cyprian and Ebe Gallowglass depart London and race across Europe in death-defying mission to pass the remains over to those that can hopefully keep and guard them. As one might guess, nothing goes as planned. The world of The Royal Occultist continues to grow at an explosive rate and in the tradition of The Whitechapel Demon and The Jade Suit of Death, Reynolds once again proves why his occult detective and apprentice (or assistant, depending on who you ask) are two of the very best characters in modern literature. If you are looking for rip-roaring adventure combined with supernatural sleuthing, this is your call to board The Infernal Express!
