

## The living age Volume 101

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1869 Excerpt: ...to appear. The family of the Cabinetsriithin he took especial pains to load with friendly attentions. They must be made to keep to their bargain; they had had their pay, and were not to be allowed to cheat him. IT made the young cadet a spy upon his son, giving him money for taking Roland to the gaming-table, tempting him to high play, and then making an exact report of his behavior. He was not a little surprised at the cadets reporting that Roland utterly re fused to play, because he had promised Eric never to gamble, even for an apparently trifling stake. Sonnenkamp would have liked to thank Eric for this great influence over his son, but judged it best to feign ignorance of the whole matter. He begged Bella, when she came for Eric to fulfil his promise and take her to the cabinet of antique casts, not to disturb his wifes present tranquillity by referring to the court-ball. Eric took Roland with them to the museum, and though Bella said nothing, she understood his motive for doing so. On their way thither they met the Russian prince, and Bella ordered the carriage to stop and invited him to accompany them, thinking that thus the party could divide into two groups, the Russian walking sometimes with Roland, and she with Eric; but she could not manage it so; Eric did not once let go of Rolands hand. They stood long before the group of Niobe and her children, Bella jokingly protesting that the teacher, who seeks to protect the boy from the arrow of the god, was of the Russian type. Eric might explain as often as he would that the head was a modern addition and represented a Scythian, that the teacher was a slave who attended the boy to school or wherever he went, as one of our lackeys

might, she still insisted that he was a Russian. As Eric called attent...
