

## The Power of Decision (Varigo 22)

This is the last book of the Varigo Series. Jesus does one of his disappearing acts, leaving only his body behind. Then suddenly he's back. But is it him? Well yes, and no. Gheorghe takes charge, trying to understand what is happening while caring for this stranger. Woven throughout the book is a short history of the Spanish Civil War 1936-39, a time which still echoes in the Spanish psyche, unhealed, unreconciled and often simply denied. One of the characters in this war is the grandfather of the current Director General of the Guardia Civil, who proves to be exceptional in many ways. As Capitana Carmen comes to find out. An abused horse loved by an abused man, and a spy story in the Caribbean rounds things out, until everyone comes together at the end to attend one of Jesus's mad and glorious weddings.
